A main application window titled "Delete Student" with a pink title bar. The background features a decorative pattern of overlapping blue and white circles. The form contains the following elements:

- User Type:** A label followed by a dropdown menu currently showing "Student".
- Phone Number:** A label followed by an empty text input field.
- Buttons:** Two buttons at the bottom, "Delete" on the left and "Exit" on the right.

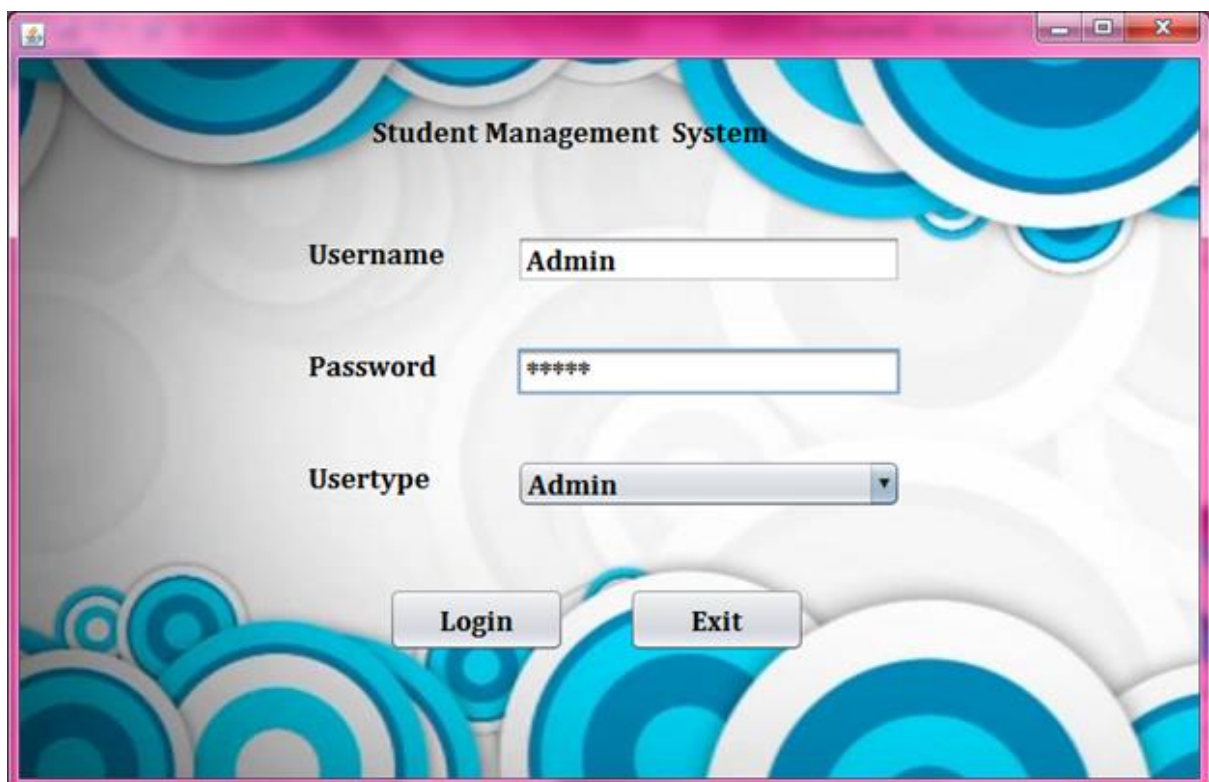

A screenshot of a Windows-style application window titled "Student Management System". The window has a pink title bar with standard minimize, maximize, and close buttons. The background features a pattern of overlapping blue and white concentric circles. The login form includes three input fields: "Username" (empty), "Password" (empty), and "Usertype" (a dropdown menu with "Admin" selected). Below the fields are two buttons: "Login" and "Exit".

Usertype Admin ▼

A second screenshot of the same "Student Management System" login window. In this state, the "Username" field contains the text "Admin", and the "Password" field contains six asterisks "*****". The "Usertype" dropdown remains set to "Admin". The "Login" and "Exit" buttons are still present at the bottom.

A window titled "Add New Admin" with a pink title bar. The background features a pattern of overlapping blue and white concentric circles. The form contains the following fields and controls:

- Serial no**: A text input field.
- Username**: A text input field.
- Password**: A text input field.
- User Type**: A dropdown menu currently showing "Admin".
- Mobile No**: A text input field.
- Email**: A text input field.
- Buttons**: Three buttons are located on the right side: "Add", "Clear", and "Exit".
